

FOR IMMEDIATE RELEASE - FOR IMMEDIATE RELEASE - FOR IMMEDIATE RELEASE

CONTACT [millerworks@hotmail.com](mailto:millerworks@hotmail.com) or [352-222-5401](tel:352-222-5401) for feature, or interview.

**RE: Jason Hedges and his band, HEDGES, will be performing at Gainesville's newest state-of-the-art soundstage, *Heartwood*. The video and audio of the show will be recorded live (in similar fashion to Austin City Limits). The live concert is sponsored by Medusa Productions. The band will be releasing their long awaited album, *MIXED SIGNALS*, which will be available to fans for the first time at the show.**

**WHEN:** Friday April 14, 2017

**WHERE:** Heartwood Soundstage - 619 S Main St., Gainesville, Florida 32605

**COST:** \$12 pre-sale / \$15 at the Door (VIP Seating available)

**TICKETS ONLINE:** <https://www.eventbrite.com/e/hedges-album-release-party-and-live-recording-tickets-33221487363>

**TIME:** 7PM - 10PM

**About the Album:** Recorded at legendary Inner Ear Studios (Arlington, VA) in June of 2015. *MIXED SIGNALS* was Mixed, Mastered, & Produced by **Don Zientara** (Fugazi, Minor Threat, Foo Fighters, Bad Brains), *MIXED SIGNALS* took five days to record, and TWO YEARS to mature & develop into a Gainesville classic.

**"We wanted this album to be organic, and truly be a reflection of what is great about contemporary music, but also have the analogue nostalgia and warmth of the classic rock-&-roll that inspired us." - Jason Hedges**

Jason Hedges, is well known to Gainesville audiences as the founder and lead singer of his Tom Petty tribute band *Heavy Petty*. He is also an professional actor, and works for Shand's Arts-In-Medicine program as a musician-in-residence.
